...making excellence a habit.™

Certificate No: ENMS 791822

Registered Scope:

The design, manufacture and supply of steel lintels in accordance with customer specification, including special, arch and mitre lintels. The manufacture of mesh, lath and bead products for use in plaster/render applications including products with plastic sheathing (expanded, perforated or welded wire forms). Structural fixings, ties, restraints and supports for all forms of building construction. Ventilation products for roof, floor and wall constructions. All products listed may be manufactured from galvanised steel, stainless steel, aluminium or plastic coated metals utilising the use of natural gas for curing, steam and heating; electricity for lighting, cooling, compressed air and process equipment; diesel for onsite transport. The above products shall be in accordance with the company's specification or customer agreed specifications.
