Certificate of Registration

ENVIRONMENTAL MANAGEMENT SYSTEM - ISO 14001:2004

This is to certify that:

Catnic
A Tata Steel Enterprise
Pontypandy Industrial Estate
Caerphilly
CF83 3GL
United Kingdom

Holds Certificate Number: EMS 555046

and operates an Environmental Management System which complies with the requirements of ISO 14001:2004 for the following scope:

The design, manufacture and supply of steel lintels in accordance with customer specification, including special, arch and mitre lintels. The manufacture of mesh, lath and bead products for use in plaster/render applications including products with plastic sheathing (expanded, perforated or welded wire forms). Structural fixings, ties, restraints and supports for all forms of building construction. Ventilation products for roof, floor and wall constructions. All products listed may be manufactured from galvanised steel, stainless steel, aluminium or plastic coated metals. The above products shall be in accordance with the company's specification or customer agreed specifications.

For and on behalf of BSI:

Gary Fenton, Global Assurance Director
